

## Municipalité de Lac-des-Écorces (rouge)

## Janvier 2026

The diagram shows a 2x2 grid of squares. The top row consists of a blue square followed by a brown square. The bottom row consists of a black square followed by a blue square. A horizontal line is drawn below the top row, separating it from the bottom row. Below the horizontal line, there is a 1x2 grid of squares (one blue, one brown) and a single black square to its left.

## Février 2026

The first bar shows the distribution for 'How often do you use the Internet?'. It is divided into three segments: 'Never' (black, approximately 15%), 'Sometimes' (blue, approximately 35%), and 'Often' (brown, approximately 50%).

The second bar shows the distribution for 'How often do you use the Internet?'. It is divided into two segments: 'Sometimes' (blue, approximately 45%) and 'Often' (brown, approximately 55%).

## Mars 2026

## Avril 2026

The first bar shows the distribution for 'How often do you use the Internet?'. It is divided into three segments: black (left), blue (middle), and brown (right). The black segment is the largest, followed by the blue segment, and then the brown segment.

The second bar shows the distribution for 'How often do you use the Internet?'. It is divided into two segments: blue (left) and brown (right). The blue segment is larger than the brown segment.
